PAR-BAKED PIZZA

**Hand-stretched.
Stone-baked.
Ready to top.**

Sugo tu's par-baked pizza bases are the perfect balance between convenience and exceptional flavour.

Each base is made from a premium artisan sourdough recipe, slow-fermented over three days, then individually hand-stretched for an authentic artisanal look and stone-baked. The bases can be pre-sauced for your convenience using our signature pizza sauce made with rich, ripe Italian tomatoes. Simply top, bake and serve.
